It's the way Your stars shine

Dsus4

Sometimes so bright I swear I could hear
It's the way Your moonlight

Falls on this mountain lake so clear

And it's the way Your sunshine

Paints Your evening sky and

It's the way Your rain falls

To sing me to sleep at night and

C2

I fall, I fall into You

God of the heavens, in this very space

It's the way You lead me

The way we walk by Your waters' still and

It's the way You hold me

The way You felt all that I feel and

It's the way You touch me

And the way You know when it's needed most

It's the way You form Your words

On my heart while I rest in You

Carry me away

And You come suddenly 'cause I am lost again
