D A

You guide me though the dark

You call my fearful heart, I will rest in You

You give me perfect peace

You fill my deepest need,      I will rest in You

**D** **A**  
God, shining like the sun

**Bm7**  
Let Your kingdom come

I want to be with You in Your presence

**D** **A**  
I'm here to give You praise

**Bm7**  
You take my breath away

And I will be with You in Your presence

Your kindness draws me in  
Now I'm with You once again, I will rest in You

My God who reigns on high  
To You alone I cry, and I will rest in You
