

# The Happy Song

Martin Smith

Key of F Capo 1

120 BPM in 4/4

**E** **B**  
I could sing unending songs  
**C#m7** **A**  
of how You saved my soul  
**E** **B**  
Well, I could dance a thousand miles  
**C#m7** **A**  
because of Your great love

**E**  
My heart is bursting, Lord  
**B**  
to tell of all You've done  
**C#m7**  
of how you changed my life and  
**A** **B**  
wiped away the past

**E**  
I wanna shout it out  
**B**  
from every roof top sing  
**C#m7**  
For now I know that God is  
**A** **B**  
for me not against me

**A** **E**  
Everybody's singing now, cause we're so happy  
**A** **E**  
Everybody's singing now, cause we're so happy  
**F#m** **A**  
If only we could see Your face and see You smiling over us  
**F#m** **A** **E**  
and unseen angels celebrate for joy is in this place
